Basic Financial Aid Information
AESCA recognizes that some individuals and their families are unable to meet the entire cost of education and may need assistance with federal and private student aid as well as assistance with the application process. The Student Finance Administrator (SFA) is the designated official at AESCA for consumer information. If a student or parent has a question, they should not hesitate to contact the Student Finance Office.

Rights and Responsibilities of Students Receiving Federal Financial Aid
As a student, you have the right to know:
- The names and organizations which accredit and authorize the school to operate.
- About the programs, the faculty, and the physical facilities at the school.
- The cost of attending the school.
- The school’s policy on refunds for students who drop prior to completion of a program.
- About the financial assistance available from federal, state, local, private, and institutional financial aid programs.
- The procedures and deadlines for submitting applications for each available financial aid program.
- The criteria used to select financial aid recipients.
- How financial need is determined.
- The amount of financial need that has been or will be met.
- The type and amount of assistance in your financial aid package. You have the right to ask that your financial aid package be reconsidered if you believe it to be in error or if you, or your family’s, financial circumstances have changed.
- How and when the federal financial aid funds will be paid to your account.
- The school’s Satisfactory Academic Progress policy and how the policy affects your eligibility for financial aid.
• The special facilities and services available to disabled students.
• The interest rate on any loans available through the school, the amount you must repay, the length of time you have to repay, when you must begin repayments, and any condition and deferment provisions that apply.

Responsibilities – It is your responsibility as a student, if you are applying for Federal Student Aid, to:

• Complete your Free Application for Federal Student Aid (FAFSA) accurately and submit it on time. Errors can delay, and in some cases prevent you from receiving aid.
• If you have previously completed a 2013-14 FAFSA for the award year and coded 037276-00, we will receive a copy of your information.
• Provide all supporting documentation, corrections, and/or new information as requested by the Student Finance Office.
• Notify the Auguste Escoffier School of Culinary Arts of any information that has changed since you applied, such as income information, family members, contact information, etc.
• Accept/Decline any disbursements of loan funds.
• Read and understand all forms you are asked to sign.

The names and organizations which accredit and authorize the school to operate.
The Auguste Escoffier School of Culinary Arts - Austin is licensed by the Texas Workforce Commission, http://texasworkforce.org/ and accredited by the Council on Occupational Education, http://www.council.org. Contact information for each of these entities is available via their website or the school catalog. AESCA posts the school’s accreditation approvals at the Administrative Offices and will make available upon request a copy of the school’s accreditation, licensure, or approval. To request a copy, students should submit a request in writing to the Campus Director.

About the programs, the faculty, and the physical facilities at the school.
Program, faculty and physical facility information for the Auguste Escoffier School of Culinary Arts is listed in detail in our school catalog. Our catalog is available to all potential and enrolled students upon request at anytime. Additionally, the school catalog can be downloaded from our website at www.escoffier.edu.

AESCA has the right, at its discretion, to make reasonable changes in program content, materials, schedules, sequences of courses in programs, or location in the interest of improving the student’s education, or where deemed necessary due to industry changes, academic scheduling, or professional requirements.

The cost of attending the school.
Program cost information is located on our website at www.escoffier.edu. Program cost information is also itemized on the program enrollment agreements.
The school's policy on refunds for students who drop prior to completion of a program.
AESCA follows the Texas Workforce Commission and the federal Return to Title IV refund policy. Both policies are detailed in the AESCA school catalog. The calculation concerning federal financial aid is separate and distinct from the institutional refund policy. As a result of the federal calculation required by federal regulation, you may owe additional funds to the institution to cover tuition and charges previously paid by unearned federal financial aid prior to your withdrawal.

If you plan to withdraw from school, please contact the Student Finance and Business Offices to determine the amount of funds, if any, which must be returned to the federal student aid programs on your behalf.

**TWC Refund Policy**
The cancellation and refund policies of all schools must comply with the minimum cancellation and refund provisions of the Texas Education Code (TEC), Chapter 132 and the Career Schools and Colleges Rules, Texas Administrative Code (TAC), Chapter 807. Below is sample refund policy language for programs at residence schools that do not take attendance, based on these requirements (does not apply to seminars – for seminars, see PS-023S). Schools may use another refund policy that results in a cancellation period or refund that exceeds the minimum. If a school chooses to do this, it must still calculate and provide documentation for the calculation of refunds demonstrating compliance with the minimum policy standards outlined in this form and using the statutory method, shown in the Sample Refund Calculation Worksheet (PS-1040R-NA) and print this statement with the school’s cancellation and refund policy: “In all cases, refunds will meet or exceed the requirements of TEC, §§132.061 and 0611 and TAC Chapter 807, Subchapter N.” Therefore, schools are strongly encouraged to use this sample language in their Cancellation and Refund Policy for residence programs.

**CANCELLATION POLICY**
A full refund will be made to any student who cancels the enrollment contract within 72 hours (until midnight of the third day excluding Saturdays, Sundays and legal holidays) after the enrollment contract is signed or within the student’s first three scheduled class days (does not apply to Seminars).

**REFUND POLICY**
1. Refund computations will be based on scheduled course time of classes through the last documented day of an academically related activity. Leaves of absence, suspensions and school holidays will not be counted as part of the scheduled classes.
2. The effective date of termination for refund purposes will be the earliest of the following:
   (a) the date of termination, if the student is terminated by the school;
   (b) the date of receipt of written notice from the student; or
   (c) the first of the following dates when the student’s participation in an academically related activity cannot be documented: at the end of the first week of each academic term, at the end of the first month of each academic term, at the midpoint of each academic term, and at the end of each academic term.
3. If tuition and fees are collected in advance of entrance, and if after expiration of the 72 hour cancellation privilege the student does not enter school, not more than $100 in nonrefundable
administrative fees shall be retained by the school for the entire residence program or synchronous
distance education course.
4. If a student enters a residence or synchronous distance education program and withdraws or is
otherwise terminated, the school or college may retain not more than $100 in nonrefundable
administrative fees for the entire program. The minimum refund of the remaining tuition and fees will
be the pro rata portion of tuition, fees, and other charges that the number of hours remaining in the
portion of the course or program for which the student has been charged after the effective date of
termination bears to the total number of hours in the portion of the course or program for which the
student has been charged, except that a student may not collect a refund if the student has completed 75
percent or more of the total number of hours in the portion of the program for which the student has
been charged on the effective date of termination. More simply, the refund is based on the precise
number of clock hours the student has paid for, but not yet used, at the point of termination, up to the
75% completion mark, after which no refund is due. Form PS-1040R-NA provides the precise
calculation.
5. Refunds for items of extra expense to the student, such as books, tools, or other supplies should be
handled separately from refund of tuition and other academic fees. The student will not be required to
purchase instructional supplies, books and tools until such time as these materials are required. Once
these materials are purchased, no refund will be made. For full refunds, the school can withhold costs
for these types of items from the refund as long as they were necessary for the portion of the program
attended and separately stated in the enrollment agreement. Any such items not required for the
portion of the program attended must be included in the refund.
6. A student who withdraws for a reason unrelated to the student’s academic status after the 75 percent
completion mark and requests a grade at the time of withdrawal shall be given a grade of “incomplete”
and permitted to re-enroll in the course or program during the 12-month period following the date the
student withdrew without payment of additional tuition for that portion of the course or program.
7. A full refund of all tuition and fees is due and refundable in each of the following cases:
   (a) an enrollee is not accepted by the school;
   (b) if the course of instruction is discontinued by the school and this prevents the student from
       completing the course; or
   (c) if the student’s enrollment was procured as a result of any misrepresentation in advertising,
       promotional materials of the school, or representations by the owner or representatives of the school.
       A full or partial refund may also be due in other circumstances of program deficiencies or violations of
       requirements for career schools and colleges.
8. REFUND POLICY FOR STUDENTS CALLED TO ACTIVE MILITARY SERVICE.
   A student of the school or college who withdraws from the school or college as a result of the student
   being called to active duty in a military service of the United States or the Texas National Guard may
   elect one of the following options for each program in which the student is enrolled:
   (a) if tuition and fees are collected in advance of the withdrawal, a pro rata refund of any tuition, fees, or
       other charges owed by the student for the program and a cancellation of any unpaid tuition, fees, or other
       charges owed by the student for the portion of the program the student does not complete following
       withdrawal;

(b) a grade of incomplete with the designation "withdrawn-military" for the courses in the program, other than courses for which the student has previously received a grade on the student’s transcript, and the right to re-enroll in the program, or a substantially equivalent program if that program is no longer available, not later than the first anniversary of the date the student is discharged from active military duty without payment of additional tuition, fees, or other charges for the program other than any previously unpaid balance of the original tuition, fees, and charges for books for the program; or
(c) the assignment of an appropriate final grade or credit for the courses in the program, but only if the instructor or instructors of the program determine that the student has:
(1) satisfactorily completed at least 90 percent of the required coursework for the program; and
(2) demonstrated sufficient mastery of the program material to receive credit for completing the program.

9. The payment of refunds will be totally completed such that the refund instrument has been negotiated or credited into the proper account(s) within 60 days after the effective date of termination.

Individuals may receive and review information that TWC collects about the individual by emailing to open.records@twc.state.tx.us or writing to TWC Open Records, 101 E. 15th St., Rm. 266, Austin, TX 78778-0001.

Refund Policy Relating to Return to Title IV Funds - R2T4

- Federal law specifies how AESCA must determine the amount of Title IV Program (financial aid) assistance the student has earned when the student withdraws or is terminated. The Title IV Programs covered by this law are: Federal Pell Grants, Federal Supplemental Educational Opportunity Grant, Federal Direct Student Loans and Federal Direct PLUS loans.

- A specific formula is used to determine the amount of Title IV Program assistance earned, when a student withdraws or is terminated during a period of enrollment. (An example is provided below.) If less assistance was received than earned, you may be able to receive those additional funds. If you received more assistance than earned, the excess funds must be returned by the School and/or you.

Example Calculation:

Example Calculation:

Numerator: clock hours scheduled to be completed as of the student’s last date of attendance
Denominator: clock hours scheduled to be completed in the Payment Period of enrollment

If a student completes 100 clock hours of the 309 clock hour Payment Period = 100/309 = .3236 %

Aid disbursed of $5,000 x .3226 = $1,618 of Title IV earned

$5,000 - $1,618 = $3,382 refund to Title IV funds

- AESCA is required to determine the amount of Title IV funds that must be refunded based upon the percentage of the payment period completed prior to withdrawing. Title IV funds must be returned to the program based upon a tuition refund or if the student received an
overpayment based upon costs not incurred but for which Title IV was received. These refunds must be made within forty-five (45) of the determination of the date AESCA determines the student withdrew or 14 days after the students last day of attendance. Title IV funds are returned in the following order:

1. Unsubsidized Direct Stafford loans (other than PLUS loans).
2. Subsidized Direct Stafford loans.
5. Direct PLUS loans.
6. Federal Pell Grants for which a return of funds is required.
7. Academic Competitiveness Grants for which a return of funds is required.
8. National Smart Grants for which a return of funds is required.
9. Federal Supplemental Educational Opportunity Grants (FSEOG) for which a return of funds is required.
10. Federal Teach Grants for which a Return is required.

- If a student does not receive all of the funds earned, they may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, AESCA must get the student's permission before disbursement. The student may choose to decline some or all of the loan funds, to avoid incurring additional debt. AESCA may automatically use all of a portion of your post-withdrawal disbursement of grant funds for tuition and fees. AESCA needs the student's permission to use the post-withdrawal grant disbursement for all other School charges. If the student does not grant their permission, the funds will be offered to the student, and the student will be responsible for unpaid debt to the School.

- Some Title IV funds that are scheduled cannot be disbursed after a student withdraws. A first-time, first-year undergraduate student who has not completed 30 days of a Program before withdrawal, will not receive any loan funds that they would have received had they remained enrolled past the 30th day.

- AESCA must return a portion of excess Title IV Program funds received equal to the lesser of:
  - The student’s institutional charges multiplied by the unearned percentage of funds, or
  - The entire amount of excess funds.

- If AESCA is not required to return all of the excess funds, the student is required to return the remaining funds.

- Any loan funds that are required to be returned must be paid in accordance with the terms of the promissory note.
Any amount of unearned grant funds that must be returned are called an overpayment. The maximum amount of a grant overpayment that the student must repay is half of the grant funds received or were scheduled to receive. The student must make arrangements with AESCA or the Department of Education to return the unearned grant funds.

The requirements for Title IV Program funds are separate from the above outlined AESCA refund policies. Therefore, the student may still owe funds to AESCA to cover unpaid institutional charges. AESCA may also charge for any Title IV Program funds that the School was required to return.

The student may contact the Federal Student Aid information Center with any questions at 1-800-4-FEDAID (1-800-433-3243). Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

Student Withdrawal Process

Students deciding to withdraw from AESCA must notify the Registrar in writing as outlined below. Failure to officially withdraw from AESCA may result in academic or financial difficulties for students. The Student is responsible for any and all financial consequences resulting from failure to complete the withdrawal process. To withdraw from school, the Student must:

- Obtain and complete the withdrawal slip from the Registrar’s Office
- Return the completed withdrawal slip to the Registrar’s Office, and retain a copy
- If the Student cannot withdraw in person, s/he must notify the Registrar’s Office verbally by calling the AESCA Registrar at 512-451-5743, or, by (e)mail to adelaiy@escoffier.edu or fax at 512-467-9120.
  - The notification must include: name, date, reason for withdrawal, and signature;
  - Additional information may be needed

Note: Withdrawal from school may not relieve the Student from certain financial obligations. Students who withdraw are strongly encouraged to meet with both the Student Finance and Business Office to understand their rights and responsibilities.

Official Withdrawal:

- The Withdrawal Date is the date the student begins the withdrawal process or otherwise provides official notification to Auguste Escoffier School of Culinary Arts of the intent to withdraw.
- The student is strongly encouraged to contact the Registrar’s office in person to officially withdraw. AESCA will make every effort to assist students with resolution of issues in order to continue their education.
Once a student has officially notified the Registrar’s office of their intent to withdraw, they should meet with the Student Finance and Business Office. The Student Finance Department can answer any questions regarding student loan repayment responsibilities, secure the Exit Interview and the Business Office can answer any questions regarding financial obligations to AESCA.

**Note:** AESCA takes daily attendance; the withdrawal date is the last date of attendance for the R2T4 calculations.

**Unofficial Withdrawal:**

- Students will be automatically withdrawn from any Program after missing ten (10) consecutive class days in any attendance period. Any student who does not report to class for ten (10) consecutive class days will be considered “withdrawn”.
- The Date of Determination is:
  - The first business day following ten (10) consecutive class days of absence or,
  - The date AESCA terminates the student’s enrollment.
- For R2T4 calculations:
  - The LDA, Last Date of Attendance.
  - The LDA for a student that does not return from an approved leave of absence.
  - Date of Determination, the date the student did not return as scheduled, or the date the Campus was notified the student will not return to classes, whichever is earlier.

**NOTE:** AESCA is required to withdraw students from the school within the guidelines indicated above, or AS SOON AS AESCA DETERMINES THE STUDENT WILL NOT BE RETURNING, whichever comes first.

About the financial assistance available from federal, state, local, private, and institutional financial aid programs.

**Types of Federal Financial Aid Programs**

**Grants**

**Federal Pell Grant**

The Pell grant is grant assistance which does not have to be repaid. Pell is awarded to students who have demonstrated financial need as determined by the U.S. Department of Education standards. Annually, the U.S. Department of education determines student eligibility for this grant. For the 2013-14 award year the minimum grant is $564 and the maximum grant is $5,645.
**Federal Supplemental Education Opportunity Grant (FSEOG)**
The FSEOG program is a program that provides grant assistance which does not have to be repaid. FSEOG is awarded to students who demonstrate exceptional financial need as determined by the U.S. Department of Education standards. Students with the lowest “Expected Family Contribution” (EFC) are awarded FSEOG before students with higher EFCs.

**Employment**

**Federal WorkStudy**
Federal WorkStudy offers students the opportunity to assist themselves with a portion of expenses by working part-time, on or off campus, for at least minimum wage. Federal Work Study funds are limited and so the number of assignments that are available are limited as well. Priority is given to students with the greatest financial need who are qualified for the job assignments available. Please see the Student Finance Office for availability of funds and participation.

**Loans**

**Subsidized Federal Direct Loans**
Direct Subsidized Loans are awarded on the basis of financial need. The Auguste Escoffier School of Culinary Arts will determine eligibility for the Direct Subsidized Loan program based on the results from your FAFSA. The maximum annual loan amount for the first academic year is $3,500, less origination and other fees (if applicable). Awards will change upon eligibility and program. The federal government pays the interest for you during in-school (at least half time attendance), in-grace, and deferment periods. Interest does not accrue until the student enters repayment six (6) months after leaving school or dropping below a half-time enrollment status. The minimum repayment amount is $50 per month; however, Direct Subsidized Loans provide many flexible repayment plans as outlined in the loan counseling materials located in the Student Finance Office. Payments are based on the repayment plan selected by the student. See the charts below for interest rate information. For additional information www.studentloans.gov

**Unsubsidized Federal Direct Loan**
If you do not qualify for a full or partial Direct Subsidized Loan based on your financial need, you may qualify for a Direct Unsubsidized Loan. This loan is not based on need, however, the federal government does not pay the interest on the Direct Unsubsidized Loan[s] while you are in school or have loans in a deferred status. Student loan borrowers are eligible for all interest that accrues on the loan while enrolled, during your grace period, and any deferment periods. You may elect to make interest payments while in school to avoid the capitalization of interest and lower the overall repayment debt. Loan repayment begins six (6) months after leaving school or dropping below a half-time enrollment status. Independent students can borrow up to $9,500 (Subsidized and Unsubsidized combined) for the first academic year. Dependent students can borrow up to $5,500 (Subsidized and Unsubsidized combined) for the first academic year. The minimum repayment amount is $50 per month; however, Direct Subsidized Loans provide many flexible repayment plans as outlined in the loan counseling materials located in the Student Finance Office. Payments are based on the repayment plan selected by the student. See the charts below for interest rate information.
Consolidation
Borrowers with other outstanding loans may be eligible to consolidate eligible loans into one consolidated payment. Refer to your Loan Entrance counseling brochure and information for additional details.

Federal Direct Parent (PLUS) Loan
The Direct PLUS loan is available to parents who wish to apply for additional assistance for their dependent child's education. The Direct PLUS loan is made through the federal government. The amount of the PLUS loan cannot exceed the student’s cost of attendance less other student aid awarded. See the charts below for interest rate information.

State and Local Aid, School Aid and other private aid programs
The school catalog lists institutional grants and awards, as well as other aid programs which may be available such as State and Local Aid, School Aid, and other Private Aid programs. Students should review the school catalog and visit the Student Finance Office for up to date and additional information on current aid programs. The Student Finance Office also maintains a list of scholarship and resources websites. The AESCA school catalog is available at www.escoffier.edu

The criteria used to select financial aid recipients

Applying for Federal Student Financial Aid
Each student interested in receiving federal financial assistance must submit the “Free Application for Federal Student Aid” (FAFSA) or provide a copy of the Student Aid Report (SAR) if the FAFSA was previously completed within the award year. The Student Finance Office will utilize the results of the FAFSA to estimate and determine the student's financial aid eligibility.

A student may be chosen for the verification process of the information submitted on the FAFSA by the U.S. Department of Education or the school. A student may be selected by the U.S. Department of Education's Central Processor (CPS) following procedures established by federal regulation. If, during the application process, the file is selected for “verification” by the U.S. Department of Education, the student and their family must submit all documents required to validate the information listed on the FAFSA application. AESCA may also select the information submitted for verification. The Student Finance Office will inform the student of the requirement for verification.

Students should refer to www.studentaid.ed.gov website which is sponsored by the U.S. Department of Education for more detailed information.

Applying for AESCA, Local and State Financial Aid
Students should visit the Student Finance Office for information and application(s) regarding various scholarship/grant opportunities available for eligible students. The Student Finance Office also has a list of resource websites available.

The type and amount of assistance in your financial aid package.

Criteria for Selection
A person must be enrolled as a regular student in an eligible program in order to receive Federal Student Assistance funds. A regular student is someone who is enrolled or accepted for enrollment in an eligible institution for the purpose of obtaining a degree or certificate offered by the school.

How financial need is determined
Students must apply for federal aid by completing the current award year FAFSA. The Student Finance Office will review the results of the FAFSA and determine your “need” and eligibility for various federal programs. The student may accept or decline all, or a portion, of the aid eligibility.
The amount of financial need that has been or will be met
The Student Finance Office will attempt to package full eligibility based on the student’s need and the academic year clock hours of the program enrolled. Your right as a student is to accept, decline or reduce any portion of the aid packaged. Students should always schedule a follow up appointment with the Student Finance Office for personal review and explanation of awards offered.

You have the right to ask that your financial aid package be reconsidered if you believe it to be in error or if you, or your family’s, financial circumstances have changed.
Students may request an appeal of any financial aid awarded by contacting the Student Finance Office. Always contact the Student Finance Office for any questions/clarification on the awarding, packaging and eligibility process.

How and when the federal financial aid funds will be paid to your account

Federal Aid
Federal Aid is distributed to students who complete the Free Application for Federal Student Aid (FAFSA) and meet the eligibility criteria as further described within the application instructions. Students should visit www.FAFSA.ed.gov or the Student Finance Office for an application.

AESCA awards and disburses aid based on clock hours in the academic year(s) of the program enrolled. See below for an overview of the Non Term disbursement method. The Federal Work Study (FWS) program provides jobs to undergraduate and graduate students to assist them in meeting their educational expenses. Drug and Alcohol Abuse Prevention Information

Federal regulation requires an institution that participates in any Federal Student Aid program to provide information to its students, faculty, and employees to prevent drug and alcohol abuse. Students should refer to the Campus Security and Drug-Free Campus/Workplace report.

The Auguste Escoffier School of Culinary Arts – Austin recognizes its responsibility as an educational institution to promote a productive and healthy environment. This responsibility demands implementation of programs and services to facilitate that effort.

AESCA is committed to a program to prevent the abuse of alcohol and the illegal use of drugs and alcohol by its students and employees. The AESCA Austin program includes this policy, which prohibits illegal use of drugs and alcohol in the workplace, on school property, or as part of any school sponsored activities.

3. Strictly prohibits the illegal use, possession, manufacture, dispensing, or distribution of alcohol, drugs or controlled substances in the workplace, on its premises, or as a part of any school sponsored activities.

8. Forbids an employee from performing sensitive safety functions while a prohibited drug(s) is in his or her system.
9. Could mandate drug testing of employees prior to employment, when there is reasonable cause, after an accident, on a random basis, and before returning to duty after refusing to take a drug test or after not passing a drug test.

Prevention of Financial Aid/Scholarship Fraud

Every year, millions of high school graduates seek creative ways to finance the markedly rising costs of a college education. In the process, they sometimes fall prey to scholarship and financial aid scams. On November 5, 2000, Congress passed the College Scholarship Fraud Prevention Act of 2000 (CSFPA). The CSFPA enhances protection against fraud in student financial assistance by establishing stricter sentencing guidelines for criminal financial aid fraud. It also charged the Department, working in conjunction with the Federal Trade Commission FTC), with implementing national awareness activities, including a scholarship fraud awareness site on the ED web site.

According to the FTC, perpetrators of financial aid fraud often use these telltale lines

- The scholarship is guaranteed or your money back.
- You can’t get this information anywhere else.
- I just need your credit card or bank account number to hold this scholarship.
- We’ll do all the work.
- The scholarship will cost some money.
You've been selected by a 'national foundation' to receive a scholarship' or 'You're a finalist,' in a contest you never entered.

To file a complaint, or for free information, students or parents should call 1.877.FTC.HELP (1.877.382.4357) or visit: [http://ftc.gov/bcp/menus/consumer/education.shtm](http://ftc.gov/bcp/menus/consumer/education.shtm)
