

Drug and Alcohol Free Policy

The Auguste Escoffier School of Culinary Arts- Boulder recognizes its responsibility as an educational institution to promote a productive and healthy environment. This responsibility demands implementation of programs and services to facilitate that effort.

PURPOSE

AESCA Boulder is committed to a program to prevent the abuse of alcohol and the illegal use of drugs and alcohol by its students and employees. As part of this commitment AESCA will strive to provide meaningful, entertaining, and educational alcohol awareness information as well as information on illegal drugs. The AESCA Boulder program includes this policy which prohibits illegal use of drugs and alcohol in the workplace, on school property or as part of any school sponsored activities.

BIENNIAL REVIEW

Auguste Escoffier School of Culinary Arts complies with the Drug-Free School and Campuses Regulations that requires Institutions of Higher Education to conduct a biennial review of their alcohol and other drug programs and policies (34 CFR Part 86). The review is completed in even-numbered years by an administrative committee and the report is available by request from either the Campus President or the Registrar/Compliance Manager.

POLICY

1. Requires all students and employees to abide by the terms of this policy as a condition of an initial and continued enrollment/employment.
2. Recognizes that the illegal use of drugs and alcohol is in direct violation of local, state and federal laws as well as school policies set forth within this policy.
3. Strictly prohibits the illegal use, possession, manufacture, dispensing, or distribution of alcohol, drugs or controlled substances in the workplace, on its premises, or as a part of any school sponsored activities.
4. Considers a violation of this policy to be a major offense, which may result in requirement for satisfactory participation in a drug or alcohol rehabilitation program, referral for criminal prosecution, and/or immediate disciplinary action up to and including termination from employment and suspension or expulsion from the school. A criminal conviction is not required for sanctions to be imposed upon an employee or student for violations of this policy.

Revised: September 2016

5. Recognizes that violations of applicable local, state and federal laws may subject a student or employee to a variety of legal sanctions including but not limited to fines, incarceration, imprisonment and/or community service requirements. Convictions become a part of an individual's criminal record and may prohibit certain career and professional opportunities.
6. Requires an employee to notify the Campus President in writing of a criminal conviction for drug or alcohol related offenses occurring in the workplace no later than five calendar days following the conviction.
7. Provides referral assistance for counseling services access to AESCA Boulder's **Employee/Student Assistance Program or the Student Resource Service and will refer employees/students for counseling services programs** that inform students and employees about the dangers of drug and alcohol abuse. Voluntary participation in or referral to these services is strictly confidential.
8. Contact the Campus President at (303) 494-7988 for referral assistance. AESCA employees may also contact our health insurance provider for various assistance at:

Abuse resources

10. The Campus President is responsible for notifying federal funding agencies within 10 calendar days whenever an employee is convicted of a drug-related crime that occurred in the workplace.

11. AESCA Campus Security Authorities are responsible for notifying local law enforcement when there is a legal violation related to alcohol and other drugs.
12. Forbids an employee from performing sensitive safety functions while a prohibited drug(s) is in his or her system.
13. Could mandate drug testing of employees prior to employment, when there is reasonable cause, after an accident, on a random basis, and before returning to duty after refusing to take a drug test or after not passing a drug test.
14. Health risks generally associated with alcohol and drug abuse can result in but are not limited to a lowered immune system, damage to critical nerve cells, physical dependency, lung damage, heart problems, liver disease, physical and mental depression, increased infection, irreversible memory loss, personality changes and thought disorders.
15. Provides for annual distribution of this policy to all staff, faculty and students.

Your Role in the Drug-Free Campus Environment

- Know AESCA Boulder's policy and program.
- Follow AESCA Boulder's drug-free policy.
- Report to class and/or work fit for duty. Come to the school free of alcohol and other drugs.
- Don't abuse alcohol or use illegal drugs in the workplace, on school property, or as part of any AESCA school sponsored or required activity.
- Seek help if you think you have a problem.

Talk to the Campus President if you think a coworker or student may need help or if you see a policy violation.
