Act (ADA) and Section 504 of the Rehabilitation Act regarding equal opportunities for students with disabilities. Students with known or suspected disabilities are encouraged to reach out to Disability Services at **224-212-1248** or studentservices@escoffier.edu at the beginning of each term, or as soon as they become aware of the disability. ATTENDANCE POLICY

Attendance is an extremely important part of the programs and mandatory at Auguste Escoffier School of Culinary Arts. The curriculum structure for each program builds on the learning and hands-on experiences of the prior sessions. We expect that students will arrange their personal and work schedules to give proper priority to coursework. Students are expected to participate in all instructional activities to signify their attendance in class. For distance education courses, participation in academic instructional activities includes assignments, discussion boards, evaluations/assessments, live sessions, and externship hours.

Students that fall below 80% program attendance may be placed on attendance probation until attendance percentages reach or exceed 80%. If at any point it is not possible to complete 80% of the scheduled hours, the student will be dismissed from the program. The 80% attendance rate is exclusive of the externship course as students enrolled in an externship course must complete all course hours to fulfill course and graduation requirements.

Students who do not achieve satisfactory attendance in any course may earn a failing grade on their transcripts and may be required to repeat the course. Students who have been absent from all their scheduled classes for more than 14 consecutive calendar days, not including scheduled holidays or breaks, will be administratively withdrawn from the school.

Students who are withdrawn for attendance may reapply for admission for the beginning of the next session. Attendance will be monitored daily and at the end of each session to ensure students are meeting attendance requirements.

INCOMPLETE (I) GRADES

A grade of Incomplete may be assigned for a course when circumstances beyond a student's control—such as death of a close relative, illness, injury, or family emergency—prevent the student from completing the course work on time.

The student must be able to achieve a letter grade of at least a "C" (70%-79%) or a passing "P" grade in order to request an Incomplete from the Lead Instructor. The request for an Incomplete must be made by the

student before the end of the term. Arrangements must be made to complete the outstanding work within 14 days of the start of the subsequent term. If no arrangements are made, the student will receive “0” points for any outstanding work and the Incomplete (I) grade will be converted to the grade the student earned based on the work completed in the course.
