Basic Financial Aid Information

Auguste Escoffier School of Culinary Arts (AESCA) recognizes that some individuals and their families are unable to meet the entire cost of education and may need assistance with federal and private student aid as well as assistance with the application process. The Director of Financial Aid (DFA) is the designated official at AESCA for consumer information. If a student or parent has a question, they should not hesitate to contact the Student Finance Office.

- The school's Satisfactory Academic Progress policy and how the policy affects your eligibility for financial aid.
- The special facilities and services available to disabled students.

Responsibilities – It is your responsibility as a student, if you are applying for Federal Student Aid, to:

- Complete your Free Application for Federal Student Aid (FAFSA) accurately and submit it on time. Errors can delay, and in some cases prevent you from receiving aid.
- If you have previously completed a 2025-2026 FAFSA for the award year and coded 03776300, we will receive a copy of your information.
- Provide all supporting documentation, corrections, and/or new information as requested by the Student Finance Office.
- Notify AESCA of any information that has changed since you applied, such as income information, family members, contact information, etc.

Names and Organizations Which Accredit and Authorize the School to Operate

AESCA is licensed by the Division of Private Occupational Schools, <u>http://highered.colorado.gov/dpos</u>, accredited by the Accrediting Council for Continuing Education and Training, <u>www.accet.org</u>, and a member of the National Council for State Reciprocity Agreements (NC- SARA). AESCA posts the school's accreditation approvals at the Administrative Offices and will make available upon request a copy of the school's accreditation, licensure, or approval. To request a copy, students should submit a request in writing to the Campus Registrar or Campus President.

Institutional Programs, Faculty and the Physical Facilities

Program, faculty, and physical facility information for AESCA is listed in detail in our school catalog or addendum. The school catalog can be downloaded at any time from our website at http://www.escoffier.edu.

AESCA has the right, at its discretion, to make reasonable changes in program content, materials, schedules, sequences of courses in programs, or location in the interest of improving the student's education, or where deemed necessary due to industry changes, academic scheduling, or professional requirements.

Cost of Attendance

Program cost information is located on our website at <u>http://www.escoffier.edu</u>. Program cost information is also itemized on the program enrollment agreements.

Refund Policies for Non-Completers

AESCA calculates refunds for non-completers using the policies provided by the Colorado Commission on Higher Education and the Accrediting Council on Continuing Education and Training and applies the policy that is most beneficial. The calculation concerning federal financial aid is separate and distinct from the institutional refund policy and is calculated using the federal Return to Title IV refund policy. As a result of the federal calculation required by federal regulation, you may owe additional funds to the institution to cover tuition and charges previously paid by unearned federal financial aid prior to your withdrawal.

If you plan to withdraw from school, please contact the Student Finance Office to determine the amount of funds, if any, which must be returned to the federal student aid programs on your behalf.

Cancellation Policy

A full refund of all institutional charges will be made to any student who cancels the enrollment contract within 5 calendar days after the enrollment contract is signed, the school rejects the application, an international student's visa application is rejected, program cancellation by the school or the student never attends class. Refunds due to the student within this cancellation period will be returned to the student within 30 days of the cancellation notice.

Postponement of a starting date, whether at the request of the school or the student, requires a new enrollment agreement signed by the student and the school. The agreement will indicate the new start date and whether the postponement was for the convenience of the school or the student.

If the course is not commenced, or the student fails to attend by the new start date set forth in the agreement, the student will be entitled to an appropriate refund of prepaid tuition and fees within 30 days of the deadline in accordance with the school's refund policy and all applicable laws and Rules concerning the Private Occupational Education Act of 1981.

Distance Learning Program Trial Period

The first three weeks of any courses taken in a student's first session constitute the trial period for any distance learning programs. After signing an Enrollment Agreement and up through the first three weeks of the distance education program, a student is considered to be conditionally enrolled. Students will be eligible to become unconditionally enrolled and matriculate to active status with the institution after meeting academic progress requirements in all registered courses during the first three weeks of classes. Academic progress requirements include earning a grade of 60% or better in any registered course by the end of the trial period. The institutional attendance policy remains in effect throughout the trial period and any student that violates the attendance policy during the trial period will be canceled.

Students who decide not to continue after the trial period may declare their intention to cease attendance with no further financial obligation prior to the start of the fourth week of the session. Any student that cancels or is canceled during the trial period will not receive any credit or permanent transcript record of any courses started during the trial period. Refund of any prepaid tuition and fees is subject to the Institutional Refund Policy. The institution reserves the right to cancel any student not meeting attendance or academic progress requirements during the trial period.

Students who do not actively communicate their intent to cease attending their program prior to the start of the fourth week of the first session of classes, at which point the trial period ends, will be financially responsible for all associated course charges. The Distance Learning Program Trial Period does not apply to active students transferring programs and previously active students re-enrolling, less than 180 days, into a distance education program. Distance Education enrollments are limited for non-active students during the Trial Period.

Institutional Refund Policy:

- 1. A full refund of all tuition and fees is due and refundable in each of the following cases:
 - An enrollee does not sign an enrollment agreement;
 - An enrollee is not accepted by the school;
 - A student cancels the enrollment contract within 5 calendar days of signing the enrollment contract;

- If service is discontinued by the school and this prevents the student from completing the course or program.
- 2. If tuition and fees are collected in advance of entrance, and if after expiration of the 5-day cancellation privilege the student does not enter school, not more than \$50 in nonrefundable administration fees shall be retained by the school for the entire program.
- 3. If tuition and fees are collected in advance of entrance, and if a student conditionally enrolled in a distance learning program withdraws or is otherwise terminated during the trial period, not more than \$50 in nonrefundable administration fees shall be retained by the school for the entire program.
- 4. If a student enters a program and withdraws or is otherwise terminated, the school may retain not more than \$50 in nonrefundable fees for the entire program. The minimum refund of the remaining tuition will be calculated using the time-based refund schedule of the following that is most favorable to the student:

Student is entitled to upon withdrawal/termination*	Refund	
Within first 10% of program	90% less administrative fee	
After 10% but within first 25% of program	75% less cancellation charge	
After 25% but within first 50% of program	50% less cancellation charge	
After 50% but within first 75% of program	25% less cancellation charge	
After 75%	NO Refund	

Colorado Commission on Higher Education

Accrediting Council for Continuing Education & Training (ACCET):

- a) During the first week** of classes, tuition charges withheld will not exceed 10 percent (10%) of the stated tuition up to a maximum of \$1,000.
- b) After the first week and through fifty percent (50%) of the period of financial obligation, tuition charges retained will not exceed a pro rata portion of tuition for the training period completed, plus ten percent (10%) of the unearned tuition for the period of training that was not completed.
- c) After fifty percent (50%) of the period of financial obligation is completed, the institution may retain the full tuition.

** When determining the number of weeks completed by the student, the institution will consider a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.

- 5. A student should review the requirements and process for withdrawing as posted in the catalog in the official vs unofficial withdraw to follow the required process for withdrawing from the program.
- 6. The effective date of the termination for refund purposes will be the earliest of the following:
- a) The date of receipt of written notice from the student or the date the institution is made aware that the student is no longer attending;
- b) Fourteen consecutive calendar days following the last date of attendance; or
- c) The last day of attendance, if the student fails to return from an excused leave of absence.
- 7. Leaves of absence, suspensions, and published school holidays will not be counted as part of the scheduled class attendance. Students will receive a full refund for any future courses billed but not attended.
- 8. Any student who withdraws from the program due to active duty or active service will receive a

full refund for any module not completed as a result of the call to duty.

- 9. Refunds for items of extra expense to the student, such as books, tools, or other supplies should be handled separately from refund of tuition and other academic fees. The student will not be required to purchase instructional supplies, books and tools until such time as these materials are required. Once these materials are opened, no refund will be made. For full refunds, the school can withhold costs for these types of items from the refund as long as the student has not cancelled during the cancellation period, they were necessary for the portion of the program attended and separately stated in the enrollment agreement. Any such items not required for the portion of the program attended must be included in the refund.
- 10. The policy for granting credit for previous training does not impact the refund policy.
- 11. All refunds will be made within 30 days from the date of termination.

Refund Policy Relating to Return to Title IV Funds

- Federal law specifies how the institution must determine the amount of Title IV Program assistance the student has earned when the student withdraws or is terminated. The Title IV Programs covered by this law are: Federal Pell Grants, Direct Loans and Direct PLUS loans and Federal Supplemental Educational Opportunity Grants.
- A specific federal formula is used to determine the amount of Title IV Program assistance earned, when a student withdraws or is terminated during a payment period or period of enrollment. If less assistance was received than earned, you may be able to receive those additional funds. If you received more assistance than earned, the excess funds must be returned to the appropriate fund sources by the institution and/or the student.
- If a student does not receive all of the funds earned, they may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, the institution must receive the student's permission before disbursement. The student may choose to decline some or all of the loan funds, to avoid incurring additional debt. The institution may automatically use all or a portion of your post withdrawal disbursement of grant funds for tuition and fees. The institution needs the student's permission to use the post-withdrawal grant disbursement for all other institutional charges. If the student does not grant their permission, the funds will be offered to the student, and the student will be responsible for unpaid debt to the institution.
- Some Title IV funds that are scheduled cannot be disbursed after a student withdraws. A firsttime, first-year undergraduate student who has not completed 30 days of a Program before withdrawal, will not receive any loan funds that they would have received had they remained enrolled past the 30th day.
- Unearned Title IV funds, as determined by the federal refund calculation, must be returned within 45 days in compliance with Federal policy.
- Any loan funds that are required to be returned must be paid in accordance with the terms of the promissory note.
- Any amounts of unearned grant funds previously disbursed are called an overpayment. Should an overpayment result, the student must make arrangements with the institution or the Department of Education to return the unearned grant funds.
- The requirements for Title IV Program funds are separate from the above outlined AESCA refund policies. Therefore, the student may still owe funds to the institution to cover unpaid institutional charges. The institution may also charge for any Title IV Program funds that the institution was required to return.

Student Withdrawal Process

A complete withdrawal is defined as dropping all classes for a given session. A student's **official withdrawal** date is defined as the date the Registrar receives a written signed notice, fax, or e-mail or other form of communication from the student that the student will no longer be in attendance in all of his/her classes. For an official withdrawal, the effective withdrawal date is the date the institution receives notice from the student that the student is withdrawing from all classes.

An **unofficial withdrawal** is defined as a student who violates the attendance policy, fails to return from an approved Leave of Absence, or is otherwise administratively withdrawn from the campus. For an administrative or unofficial withdrawal, the effective withdrawal date is the last date of attendance, if applicable, AESCA will calculate refunds accordingly.

Students should meet with a campus finance representative for a withdrawal evaluation before making a decision to withdraw or stop attending classes.

Any official or unofficial withdrawal will result in a "W" or "WF" grade being recorded on the student's academic transcript for any current courses according to the point in the session where the drop occurs.

Depending on the withdrawal date, the student may owe funds to the institution. Students will receive an invoice for any balance owed to the institution. Students have 30 days from the date the institution notifies them in writing to make payment arrangements. The student is responsible for payment of any institutional charges resulting from the refund calculation. Any refunds due to the student will be provided within 30 days of termination.

Types of Federal Financial Aid Programs Available Grants

Federal Pell Grant

The Pell grant is grant assistance which does not have to be repaid. Pell is awarded to students who have demonstrated financial need as determined by the U.S. Department of Education standards. Annually, the U.S. Department of education determines student eligibility for this grant. For the 2025-2026 award year, the minimum grant is \$740, and the maximum grant is \$7,395.

Federal Supplemental Education Opportunity Grant (FSEOG)

The FSEOG program is a program that provides grant assistance which does not have to be repaid. FSEOG is awarded to students who demonstrate exceptional financial need as determined by the U.S. Department of Education standards. Students with the lowest "Student Aid Index" (SAI) are awarded FSEOG before students with higher SAIs.

Employment Federal Work Study

Federal Work Study offers students the opportunity to assist themselves with a portion of expenses by working part-time, on or off campus, for at least minimum wage. Federal Work Study funds are limited and so the number of assignments that are available are limited as well. Priority is given to students with financial need who are qualified for the job assignments available. Please see the Student Finance Office for the availability of funds and participation.

Loans

Subsidized Federal Direct Loans

Direct Subsidized Loans are awarded based on financial need. AESCA will determine eligibility for the

Direct Subsidized Loan program based on the results from your FAFSA. The maximum annual loan amount for the first academic year is \$3,500, less origination and other fees (if applicable). Awards will change upon eligibility and program. The federal government pays the interest for you while in school (at least half-time attendance), in grace, and deferment periods. Interest does not accrue until the student enters repayment six (6) months after leaving school or dropping below a half-time enrollment status. The minimum repayment amount is \$50 per month; however, Direct Subsidized Loans provide many flexible repayment plans as outlined in the loan counseling materials located in the Student Finance Office. Payments are based on the repayment plan selected by the student. See the charts below for interest rate information. For additional information www.studentaid.gov.

Unsubsidized Federal Direct Loan

If you do not qualify for a full or partial Direct Subsidized Loan based on your financial need, you may qualify for a Direct Unsubsidized Loan. This loan is not based on need; however, the federal government does not pay the interest on the Direct Unsubsidized Loan(s) while you are in school or have loans in a deferred status. Student loan borrowers are eligible for all interest that accrues on the loan while enrolled, during your grace period, and any deferment periods. You may elect to make interest payments while in school to avoid the capitalization of interest and lower the overall repayment debt. Loan repayment begins six (6) months after leaving school or dropping below a half-time enrollment status. Independent students can borrow up to \$9,500 (Subsidized and Unsubsidized combined) for the first academic year. The minimum repayment amount is \$50 per month; however, Direct Subsidized Loans provide many flexible repayment plans as outlined in the loan counseling materials located at <u>www.studentaid.gov</u>. Payments are based on the repayment plan selected by the student. See the charts below for interest rate information.

Consolidation

Borrowers with other outstanding loans may be eligible to consolidate eligible loans into one consolidated payment. Refer to your Loan Entrance counseling at StudentAid.gov and information for additional details.

Federal Direct Parent (PLUS) Loan

The Direct PLUS loan is available to parents who wish to apply for additional assistance for their dependent child's education. The Direct PLUS loan is made through the federal government. The amount of the PLUS loan cannot exceed the student's cost of attendance less other student aid awarded. See the charts below for interest rate information.

2025-26 Direct Loan Interest Rates

	Direct Subsidized Loan (Undergraduate)			Direct PLUS Loan (Parent and Graduate)
2025-2026	6.39%	6.39%	7.94%	8.94%

State and Local Aid, School Aid and other Private Aid Programs

From time to time, grants may become available. Grant awards may be based on need and merit and are awarded at the sole discretion of Auguste Escoffier School of Culinary Arts and the donor. Visit https://www.escoffier.edu/admissions-aid/scholarships/ for a current list of available scholarships. Students should contact the Student Finance Office for up to date and additional information on current aid programs. The Student Finance Office also maintains a list of scholarship and resource websites.

The Criteria Used to Select Financial Aid Recipients Applying for Federal Student Financial Aid

Each student interested in receiving federal financial assistance must submit the "Free Application for Federal Student Aid" (FAFSA) or provide a copy of the Student Aid Report (SAR) if the FAFSA was previously completed within the award year. The Student Finance Office will utilize the results of the FAFSA to estimate and determine the student's financial aid eligibility.

A student may be chosen for the *verification* process of the information submitted on the FAFSA by the U.S. Department of Education or the school. A student may be selected by the U.S. Department of Education's Central Processor (CPS) following procedures established by federal regulation. If, during the application process, the file is selected for "verification" by the U.S. Department of Education, the student and their family must submit all documents required to validate the information listed on the FAFSA application. AESCA may also select the information submitted for verification. The Student Finance Office will inform the student of the requirement for verification. Students should refer to www.studentaid.gov website which is sponsored by the U.S. Department of Education for more detailed information.

Applying for AESCA, Local and State Financial Aid

Students should visit the Student Finance Office for information and application(s) regarding various scholarship/grant opportunities available for eligible students. The Student Finance Office also has a list of resource websites available.

The Type and Amount of Assistance in your Financial Aid Package Criteria for Selection

A person must be enrolled as a *regular student* in an eligible program to receive Federal Student Assistance funds. A regular student is someone who is enrolled or accepted for enrollment in an eligible institution for the purpose of obtaining a degree or certificate offered by the school.

How Financial Need is Determined

Students must apply for federal aid by completing the current award year FAFSA. The Student Finance Office will review the results of the FAFSA and determine your "need" and eligibility for various federal programs. The student may accept or decline all, or a portion, of the aid eligibility.

Amount of Financial Need

The Student Finance Office will attempt to package full eligibility based on the student's need and the academic year credit hours of the program enrolled. Your right as a student is to accept, decline or reduce any portion of the aid packaged. Students should always schedule a follow-up appointment with the Student Finance Office for personal review and explanation of awards offered.

You have the right to ask that your financial aid package be reconsidered if you believe it to be in error or if you, or your family's financial circumstances have changed.

Students may request an appeal of any financial aid awarded by contacting the Student Finance Office. Always contact the Student Finance Office for any questions/clarification on the awarding, packaging and eligibility process.

How and When Federal Financial Aid Funds will be Paid Federal Aid

Federal Aid is distributed to students who complete the Free Application for Federal Student Aid (FAFSA) and meet the eligibility criteria as further described within the application instructions. Students should visit <u>www.studentaid.gov/h/apply-for-aid/fafsa</u> or the Student Finance Office for an Application.

AESCA awards and disburses aid based on credit hours in the academic year(s) of the program enrolled. See below for an overview of the nonterm disbursement method. Students should contact or visit the Student Finance Office for additional details regarding disbursement. Students receiving federal aid are encouraged to contact or visit the Student Finance Office.

The disbursement of aid is by payment period and varies by the type of assistance and program. In order to receive federal loan proceeds the student (parent in the case of PLUS loans) must complete and sign a valid promissory note. Disbursements will be made at the beginning and once at the midpoint of the academic year as measured in credit hours earned and weeks attended. A second disbursement of loan funds for the academic year is made after the student has completed half of their academic workload for the academic year and reached the calendar midpoint. Once tuition and fees charged by the institution have been met, the student may receive the excess amount of federal student aid that creates a credit on the account. A first year, first time borrower's account will not be credited with Direct loans until 30 days after their first day of class and completed a loan entrance interview.

For those who qualify for aid, a student in the Residential Culinary Arts Diploma Program and Pastry Arts Diploma Programs will receive two (2) disbursements of aid, credited to the student's account twice during the academic year – one at the beginning and once at the mid-point of the academic year definition as measured in credit hours earned and weeks attended.

For those who qualify for aid, a student in the Culinary Arts AOS program, Baking and Pastry AOS program, Plant-Based Cuisine Diploma program, Hospitality and Restaurant Operations Management AOS program, Professional Pastry Arts Diploma program, Culinary Arts & Operations Diploma program, Food Entrepreneurship Diploma program, Plant-Based Culinary Arts Diploma Program, and the Holistic Nutrition and Wellness Diploma program will receive four (4) disbursements of aid; Two (2) disbursements for the AY1 credited to the student's account twice during the academic year – one at the beginning and once at the mid-point of the academic year as measured in credit hours earned and weeks attended. AY 2 consists of two (2) disbursements credited once at the beginning of AY2 as and once at the mid-point of the academic year definition as measured in credit hours and weeks attended.

For those who qualify for aid, a student in the Plant-Based Culinary Arts AOS program, Holistic Nutrition and Wellness AOS program, and the Food Entrepreneurship AOS program will receive five (5) disbursements of aid; Two (2) disbursements for the AY1 credited to the student's account twice during the academic year – one at the beginning and once at the mid-point of the academic year definition as measured in credit hours earned and weeks attended. AY 2 consists of two (2) disbursements credited once at the beginning of AY2 as and once at the mid-point of the academic year as measured in credit

hours and weeks attended. AY 3 consists of one (1) disbursement credited once at the beginning of AY3.

State Aid

State Aid is distributed to students who meet the eligibility criteria as described in the specific state aid program requirements. Students should contact or visit the Student Finance Office for additional information on state aid programs available to enrolled students of the institution and applications.

Institutional Aid (Scholarships/Grants)

Colleges may offer various types of scholarships to students enrolled in specific programs of study, participating in campus athletics, having met specific academic standards, etc. The number of scholarships recipients varies from year to year depending on the funding available and the number of eligible applicants. For additional information on available institutional scholarships students are encouraged to visit/contact the Student Finance Office. A list of scholarships/grants available is also listed on the AESCA website www.escoffier.edu/admissions-aid/scholarships/.

Students are also encouraged to visit their library or research on the Internet as a source for additional scholarship programs not administered or awarded by AESCA.

Students will receive an estimated award letter listing their aid eligibility. All students need to read and understand all forms that you are asked to sign. Contact the Student Finance Office for review of your eligibility and aid amounts, and for clarification/questions on any forms or awards.

Diversity of Pell Recipients

Federal regulations require schools to provide on an annual basis data on the diversity of its Pell recipients by July 1st. Students should visit the AESCA Student Finance Office for campus specific Pell Diversity information. Go to <u>http://nces.ed.gov/collegenavigator</u> for information on our school.

Borrower Confirmation for Loans

Subsidized and Unsubsidized Master Promissory Note (MPN)

Students have the ability to obtain loan funds not exceeding the established loan limits through the Subsidized and Unsubsidized Federal Direct Loan program without having to sign a new Master Promissory Note for each academic year.

AESCA awards educational loans based on student eligibility. Students and Parents (in cases of a PLUS loan) always have the right to reduce or cancel any student loan. For the student loan process, AESCA uses the "Passive" Confirmation option. Passive confirmation means that AESCA will not disburse the loan until the borrower is notified of the proposed loan package and the time given to respond has elapsed. The borrower only needs to act if he/she wishes to decline the loan or adjust the type or amount of the loan.

Parent PLUS Master Promissory Note (PLUS MPN)

For Parent PLUS loans made under the multi-year feature of the MPN, confirmation of the loan occurs upon parent completion of the PLUS MPN via studentloans.gov. AESCA will only process the requested amount of an approved PLUS loan. PLUS loan borrowers are notified by receipt upon posting of the PLUS loan proceeds. Borrowers have at least fourteen (14) days to cancel or reduce the loan.

Statement Regarding Credit Balances

An "Authorization to Retain" is provided to students by the Student Finance Office soon after enrollment and during the financial aid process. Students and parents (of a dependent student applying for PLUS loans) need to review this statement, select the appropriate authorization category, and provide the signed form to the Student Finance Office. For continuing students who previously signed this statement, the initial authorization will continue to be valid for subsequent award years or enrollment periods. The authorization categories available for student/parent selection are as follows:

- Based on student's authorization, the institution will retain any existing credit balance on the account to be applied to allowable future charges to assist students in managing those funds or to be disbursed at their request.
- In the event that funds are not requested prior to withdrawing from the institution, the institution will return the Title IV credit balance to the student or parent unless written authorization is received indicating the specific amount of the Title IV balance to return to the Direct Loan and/or the "Direct PLUS" Loan to reduce the outstanding loan balance.

Terms and Conditions of Federal Work Study Employment

- The Federal Work Study (FWS) program provides jobs to undergraduate and graduate students to assist them in meeting their educational expenses. To qualify for Federal Work Study program funds, the student must meet the eligibility requirements for Federal Student Aid. The amount of FWS for which a student is eligible depends upon:
- Degree of demonstrated financial need
- Availability of FWS funds at the school
- Availability of jobs and scheduling which do not conflict with the student's class schedule

Federal Work Study jobs may be located on or off campus. The school may set the work schedule. The Director of Financial Aid will take into consideration need, class schedule, health, and academic progress prior to arranging a job and assigning work hours. The school must inform the student of the terms and conditions of employment that is part of your financial aid package. Undergraduate students will be paid on an hourly basis. They are paid at least the current federal minimum wage and at least once a month. AESCA pays biweekly.

If FWS is part of the student's aid package, they will receive notification via the Job Description and other notification which lists the amount of the award scheduled for the student.

Terms and Conditions Under Which the Student Receives Student Loans

The Federal Loan programs provide funds to undergraduate and graduate students to assist them in meeting their educational expenses. To qualify for Federal Loan program funds, the student must meet the eligibility requirements for Federal Student Aid as well as the loan program specific terms and conditions specified below:

Direct Loans (DL)

- Students must be enrolled at least half-time during the period of enrollment to retain their eligibility for the Direct Loan program funds. Students whose enrollment status is below half-time are not eligible for DL program funds. If eligibility is lost due to being enrolled less than half-time, a student can regain eligibility if enrolled at least half-time during a subsequent period of enrollment.
- All students are required to complete student loan entrance counseling prior to the first

disbursement of the loan. For first-time borrowers, the first disbursement of a loan cannot be made earlier than thirty (30) days after the start of the term or period of enrollment. This 30-day delayed disbursement for first time borrowers does not apply to PLUS loans.

- DL Loans are not credit based and so a credit check will not run unless it is a Parent PLUS Loan.
- A student borrower who is in default on an FSA loan is not eligible for additional DL loan funds unless eligibility is regained.

Perkins Loan

AESCA does not participate in the Perkins Loan Program.

Students who leave school without attending an exit counseling session will receive an exit counseling package mailed by the campus. Exit counseling addresses topics such as the requirement to repay the loan, repayment plans, updating contact and demographic information, the consequences of default. Constitution and Citizenship Day (September 17th)

Section 111(b) states "each educational institution that receives Federal funds for a fiscal year shall hold an educational program on the United States Constitution on September 17 of such year for the students served by the educational institution." Prevention of Financial Aid/Scholarship Fraud

Every year, millions of high school graduates seek creative ways to finance the markedly rising costs of a college education. In the process, they sometimes fall prey to scholarship and financial aid scams. On November 5, 2000, Congress passed the College Scholarship Fraud Prevention Act of 2000 (CSFPA). The CSFPA enhances protection against fraud in student financial assistance by establishing stricter sentencing guidelines for criminal financial aid fraud. It also charged the Department, working in conjunction with the Federal Trade Commission FTC), with implementing national awareness activities, including a scholarship fraud awareness site on the ED web site.

According to the FTC, perpetrators of financial aid fraud often use these telltale lines:

- The scholarship is guaranteed or your money back
- "You've been selected by a 'national foundation' to receive a scholarship" or "You're a finalist" in a contest you've never entered.
- "You can't get this information anywhere else"
- "I just need your credit card or bank account number to hold this scholarship"
- "We'll do all the work"
- The scholarship will cost some money

To file a complaint, or for free information, students or parents should call 1.877.FTC.HELP (1.877.382.4357) or visit: <u>http://ftc.gov/bcp/menus/consumer/education.shtm</u>
